Ghana in 2026: Resetting a Generation

As Ghana celebrates its 69th Independence Anniversary, the President of Ghana, H.E John Dramani Mahama's vision for a 24-Hour Economy and Accelerated Export Development initiative takes center stage. This bold initiative aims to transform Ghana's economic landscape by promoting value-driven economic development, creating jobs, and stimulating growth.

By moving beyond raw material exports and embracing a more integrated approach, Ghana can break free from the cycle of dependency and unlock its true

potential. The 24-Hour Economy initiative is a key step towards achieving this vision, and as President Mahama noted, "We've moved from slogan to strategy today."

As Ghana looks to the future, this initiative offers a promising path forward for economic transformation and growth. By harnessing the power of a 24-Hour Economy, Ghana can create an economy that works for all, at all times, ensuring a brighter future for its citizens.

Ghana is poised for significant growth and development, with a strong economy, a growing middle class, and a youthful population. Ghana is an attractive destination for investment and business in Africa. The country's vision for the future is centered on creating a modern, sustainable, and prosperous society.

2026 年的加纳：开启一代人的全新征程

时值加纳独立 69 周年庆典之际，加纳总统约翰·德拉马尼·马哈马阁下提出的“24 小时经济”及“出口加速发展”倡议愿景，成为各界关注的焦点。这一雄心勃勃的倡议，旨在通过推动价值导向型经济发展、创造就业岗位、激发经济增长活力，全面重塑加纳的经济格局。

加纳若能跳出仅依赖原材料出口的发展模式，转而采取更为一体化的发展策略，便能挣脱对外依赖的循环桎梏，释放出国家发展的真正潜力。“24 小时经济”倡议正是实现这一愿景的关键一步，正如马哈马总统所言：“时至今日，我们已将口号转化为切实可行的战略。”

展望未来，这项倡议为加纳的经济转型与增长指明了一条前景光明的道路。借助“24 小时经济”的强大驱动力，加纳有望构建一个惠及全民、时刻高效运转的经济体系，为全体国民擘画更加光明的未来。

Colonization to Independence: A Journey of Resilience

Located in West Africa, Ghana is a resource-rich country famous for its cocoa, gold, bauxite, lithium, and timber, to name a few, but most importantly its proud people and cultural heritage.

From the ancient kingdoms of the Ashanti and Dagbon, to modern Ghana, the nation has come a long way since independence on March 6th 1957 from British rule.

Ghana's journey to independence was marked by struggles and bloodshed. The struggle for independence was led by prominent patriots as Dr. Kwame Nkrumah who worked tirelessly to mobilize the people and fight for Ghana's liberation, marking a new chapter in the country's history.

从殖民岁月到独立荣光： 一部坚韧奋进的国家征程史

His leadership was characterized by a strong sense of Pan-Africanism and international relations. Dr. Nkrumah's relations with China were significant, visiting the country in 1961 and strengthening ties between the two nations.

夸梅·恩克鲁玛博士： 世纪伟人

加纳为其远见卓识的领袖——夸梅·恩克鲁玛博士感到自豪。他在 1999 年被 BBC 评选为“世纪伟人”。他在塑造加纳乃至整个非洲的经济与政治未来方面发挥了重要作用。任职期间，他实施了多项旨在实现国家工业化的倡议，为经济发展和繁荣奠定了基础。他的领导力以强烈的泛非主义和国际眼光为特征。恩克鲁玛博士与中国的关系意义深远，他于 1961 年访问中国，进一步加强了两国之间的纽带。

Ghana-China Story of Cooperation and Friendship

Ghana and China enjoy a robust partnership built on mutual benefit and equitable cooperation, where both nations work together to achieve shared goals and aspirations. Through their longstanding diplomatic relations since the 1960s, both countries have collaborated in various sectors, including infrastructure development, agriculture, and education, fostering a win-win partnership that promotes shared prosperity and development. This partnership has enabled Ghana to benefit from China's technological knowhow and manufacturing industries, while China has also benefited from Ghana's rich natural resources. Together, they are building a brighter future for both nations, driven by the principles of mutual respect, trust, and cooperation.

加纳与中国的合作与友谊故事
